Please include your FULL NAME & EMAIL address / PHONE NUMBER with all returned kits to keep our tracking list updated. Thank you!

Nine Patch Quilt

1. **Take an inventory**

Please make sure this kit contains the following items. Yardages are provide strictly for your convenience should you wish to make another quilt from your own stash of fabric. Instructions provide for machine self-binding so no binding fabric is included. Remember to use a 1/4" seam allowance for all seams. DO NOT use monofilament thread as it melts in industrial driers.

- ◆ 10 8" squares of focus fabric (Note: This requires 1/2 yard.)
- ◆ 4 3" strips of fabric "A" (Note: This requires a minimum of 1/3 yard perfectly cut.)
- ◆ 4 3" strips of fabric "B" (Note: This requires a minimum of 1/3 yard perfectly cut.)
- ◆ 4 1 1/2" wide strips for the inner border (Note: This requires 1/4 yard)
- ◆ 4 3 1/2" wide strips for the outer border (Note: This requires 1/2 yard)
- ◆ 50" length of full width of bolt backing fabric
- ◆ Official Quilts for Kids Label

2. **Official Quilt Label**

With right sides showing, place the official QFK label on the backing fabric at least 12" away from all sides of the backing fabric. Sew the label to the backing around all 4 sides of the label. With a permanent, non-bleeding marker, write only your first name on the label.

3. **Make 1 strip-set the width of fabric (WOF)**

Sew one A strip to both sides of one B strip as shown.

4. **Make 1 strip-set half the width of fabric (WOF)**

Cut one A and one B strip in half. Then sew a fabric A half strip to both sides of the fabric B half.

5. **Make 1 alternating strip-set the width of fabric (WOF)**

Sew one fabric B strip to both sides of one fabric A strip as shown. Press all seams to the darker fabric.

6. **Make 10 "9-patch" blocks**

Cut all 3 strip sets vertically into units measuring 3" wide. Sew two "ABA" units to the sides of one "BAB" unit to form one 9-patch block. Press seams open.

9-patch

7. **Make 5 rows of 4 blocks**

Sew the 9-patch blocks and 8" squares together into 5 rows as shown. Press seams towards 8" squares.

8. **Assemble the field**

Sew the 5 rows together as shown. Press the seams in one direction.

9. **Attach the Borders**

Attach the inner borders (1 1/2" strips) by sewing the strips to the long sides of the quilt first. Then, sew the 1 1/2" strips to the top and bottom edges. Now attach the outer borders (3 1/2" strips) in the exact same way.

10. **Quilt**

Sandwich the quilt top, batting and backing fabric patting out all the wrinkles on both sides and aligning the centers of all three pieces. Check to see that there is enough batting under the entire quilt top. Make sure there is enough backing fabric under all the batting. Baste the layers together. **KEEP ALL QUILTING STITCHES 1" AWAY FROM THE RAW EDGE OF THE QUILT TOP.** Quilting stitches should be no more than 3" apart. **NO HAND-TIED or HAND-QUILTED** quilts.

11. **Binding**

To machine self-bind, cut the batting even with the quilt top. **Do NOT cut the backing fabric.** Once the batting is cut, trim the backing fabric 1" larger than the quilt top on all four sides. Fold the raw edge of the backing over to kiss the raw edge of the quilt top. Press. Fold the backing again this time to fully cover the raw edge of the quilt top. Press. Begin sewing through all layers at the middle of one side. At each corner, open the pressed folds of the side not yet sewn. Fold a triangle to kiss the raw edge of the side not yet sewn. Refold the pressed backing into place to form a mitered corner. Continue sewing. This URL has photos of this technique: <http://cluckclucksew.com/2014/01/binding-quilt-with-quilt-back.html>

12. **Finishing touches**

REMOVE ALL PINS and CLIP STRAY THREADS! Return the finished quilt and scraps using the directions on the top of these instructions.

These instructions can be found on our website, so please help us save money by sending back this plastic bag and instructions to be reused with the next kit. Thank you for your partnership to bring comfort and joy to traumatized children.
